### Article 4d.

The national authority that will decide the allocation of the revenues of the ETS will be an independent commission:

- This commission will be composed by an equal number of experts, the Minister of finance and the ministers of environments from each member-state.
- Each member states will propose a list of experts, and the European House of citizens will decide witch ones will be a part of the commission.
- This commission can propose an exception to the ETS that must be approved by the parliament.
